

COMP3111 Project

Project Planning

- Design class diagram
- Design use-case diagram
- Document use-case specifications
- Complete Project Planning

Implemetation

Implement Reporting 1

- Map UI elements for Reporting 1
- Code Implementation for Reporting 1

Implement Reporting 2

- Map UI elements for Reporting 2
- Code Implementation for Reporting 2

Implement Reporting 3

- Map UI elements for Reporting 3
- Code Implementation for Reporting 3

Implement Application 1

- Design UI for Application 1
- Code Implementation for Application 1

Implement Application 2

- Design UI for Application 2
- Code Implementation for Application 2

Implement Application 3

- Design UI for Application 3
- Code Implementation for Application 3

Unit Testing & Evaluation

- Testing & Code Review for Reporting 1
- Testing & Code Review for Reporting 2
- Testing & Code Review for Reporting 3
- Testing & Code Review for Application 1
- Testing & Code Review for Application 2
- Testing & Code Review for Application 3

Project Documentation

- Document meeting minutes
- Draw gantt chart
- Draw burndown chart
- Finalize Javadoc
